

2014 Christian Storytelling Festival

Providence Academy Announces Storytelling Concert Featuring Award Winning Artist

Brandon Heath

Join Brandon Heath for an evening of worship as he sings and shares his testimony at the 8th annual Christian Storytelling Festival on Saturday, August 16, 2014.

Grammy® nominated and Dove® award winner; Brandon Heath, will be the featured storyteller and singer at the Christian Storytelling Festival.

Brandon is a two-time GMA Male Vocalist of the year and five-time Grammy nominee who delivers some of Christian music's most thought-provoking anthems. His songs, "Give Me your Eyes," won the 2009 GMA Dove Award for Song of the Year, and "Your Love" topped the charts for eight weeks.

His most recent album, *Blue Mountain*, is a 12-track musical journey full of heart and back-porch ease written in Heath's signature style. He says, "I like to write story songs, and I like characters. I wanted to get out of myself a little bit on this one." This latest collection opens the door to an intriguing locale, populated by saints and sinners, and overflowing with powerful truths and soul-shaking observations on life and humanity. Forgiveness, servanthood, and the power of grace are topics that have been woven throughout Heath's music, but never have they seemed to unite into a more potent musical offering than on *Blue Mountain*.

A Nashville native, Brandon began writing songs in his teens and gained national audience with the release of his debut album, *Don't Get Comfortable*. His warm, expressive voice and intuitive songwriting have earned him an enthusiastic fan base and respect of his peers.

The Christian Storytelling Festival

The Christian Storytelling Festival is a fundraiser, a "friend raiser," and also a chance to celebrate storytelling with a Christian worldview. All proceeds go to support the Providence Academy need-based Annual Scholarship Fund. This fund supports approximately 20% of the school's students who would not be able to receive a Christ-centered and classical education without community support.

The 2013-2014 goal of the Annual Scholarship Fund is to raise \$240,000. For more details, contact Director of Development Mark Koscak at (423) 854-9819 or mkoscak@providenceacademy.com. Tickets will be available online at www.christianstorytellingfestival.com on May 22, 2014, at 8:00 a.m.
